5 April 2017

MEMORANDUM FOR CADET PARTICIPANTS, AIR FORCE SPACE COMMAND – FAMILIARIZATION COURSE

FROM: Activity Director, AFSpC-FC (Florida)

SUBJECT: Registration Instructions for the AFSPC-FC (Florida) 3-10 June 2017

1. It is my pleasure to welcome you to the 2017 AFSPC-FC at Patrick AFB and Cape Canaveral AFS, FL, sponsored by the 45th Space Wing, Air Force Space Command. The activity will run from 3 through 10 June 2017. In addition to learning about the 45th Space Wing's important mission, we will also visit NASA's Kennedy Space Center (KSC) and other space-related locations during a week of intense activity.
2. Enclosed you will find the Course Handbook containing specific information and instructions regarding the activity. Read this entire package carefully and complete all required items by the Friday, 5 May 2016. You are asked to share this handbook with your parents; the information will assist them in making your travel arrangements and inform them about the activity. Pay particular attention to the arrival/departure information so the most appropriate travel arrangements can be made.
3. Along with administrative requirements to register for the activity, you are to review Modules 4-6 of Aerospace dimensions, as well as Aerospace: Journey Of Flight (third edition), Parts 5 and 6. It is important that you use the third edition for your reference material. Note that it can be obtained from eServices in the "AE Downloads and Resources" section.
4. Congratulations on your selection; the entire AFSPC-FC staff looks forward to meeting you on 3 June. Please feel free to contact me at rocket1@palmnet.net with questions or concerns on the activity or handbook. I look forward to seeing you soon in sunny Florida!

A handwritten signature in black ink that reads "Gary A. Dahlke". The signature is written in a cursive style.

Gary A. Dahlke, Lt Col, CAP
Activity Director
