

ALL PARTICIPANTS MUST HAVE COMPLETED THE AIRCRAFT GROUND HANDLING COURSE AND BE SAFETY CURRENT BEFORE THEY ARRIVE!

I REPEAT - ALL PARTICIPANTS MUST HAVE COMPLETED THE AIRCRAFT GROUND HANDLING COURSE AND BE SAFETY CURRENT BEFORE THEY ARRIVE!

Your flight training schedule will be compressed compared to a normal student. To help with getting you ready, you **must** take these online courses prior to arrival and present the completion certificates upon check-in. You'll have to create an account with FAASafety.gov in order to take these FAA online courses and receive a completion certificate.

Maneuvering: Approach and Landing

https://www.faasafety.gov/gslac/ALC/course_content.aspx?clD=34

Normal Approach and Landing

https://www.faasafety.gov/gslac/ALC/course_content.aspx?clD=35

You will have to create an account with the AOPA Air Safety Foundation to take this course. You will receive a completion certificate when you're finished.

Essential Aerodynamics. Stalls, Spins, and Safety.
